BISS GCH Bayviews Some Like It Hot

“*Monroe*”

Monroe 2012

Winner in 2011 and 2012.

When she retired there was nothing that would have caused me to break up the bond that Monroe, Michael and Dottie had with each other. She can't read the AKC registration papers and in "her" mind, she belonged forever with Michael and Dottie. In our hearts, there will never be another one like her but then can't we say that about those very special ones that have stolen our hearts?

With her handler Michael Shepard, Monroe set many records when she retired including becoming the # 1 All Time Top BIS Winning Bitch in Breed History with seventy (70) All Breed Best In Show wins and the # 2 All Time Top BIS Winning Boxer in breed history with the # 1 position proudly and rightfully retained by the late, great Ch. Bang Away of Sirrah Crest. Since then Monroe's record may have been broken but she made her mark in breed history and to this day loves the show ring.

She has since been back to the American Boxer Top Twenty as a Past

Today she lives the life of leisure at Michael's traveling to all the shows in the bus visiting all her fans, ruling the roost at Michaels, sleeps with Dottie or Michael (whichever she decides on the night) and welcoming visitors around her pool at home.

Enjoy, sweet girl, you deserve it.
